WHO: **Galactic Ambassador**

The Galactic Ambassadors is a Cuban-style conjunto jam and dance band. The band consists of Mark Barad (piano), David Beenhouwer (bass), Lucia Gonzalez (vocals), Adrian Lunn (conga and bongo drums), Josh Pretsky (timbales). They will be joined by the legendary Dick Nash on trombone.

Why: The Midnight hosts Music With a Mission (MWAM) to entertain and inspire those living on Skid Row. Music is a survival tactic for many people in dealing with life's difficulties. MWAM is aimed at bringing our community together through music. MWAM is quite simple. Musicians bring their instruments and play for our homeless and near-homeless guests. It is an intimate setting, so musicians have the opportunity to interact with our guests, answer questions and/or talk about music and its history. We encourage musicians to invite their fan base so they can engage and enjoy music with individuals they would not normally encounter in their daily lives. **We are currently looking for sponsors for this ever-growing community event. If you are interested, please contact Georgia Berkovich at 213-624-4588 or gberkovich@midnightmission.org.**
