**Why:** Audrey Hepburn said, "On a bad day, there is always lipstick." That is the inspiration for the day. When you feel good on the outside, you feel good on the inside; and the idea behind *Day of Beauty* is to help every woman feel beautiful. The artists from MAC are volunteering their time and talent to create a beautiful experience for women currently transitioning from homelessness into permanent housing. We have teamed up with Beard Papa to satisfy every girl's sweet tooth.

**How:** The event will be hosted at The Midnight Mission and is free of charge to the women of the Crisis and Bridge Housing Center.
