**UCLA Mobile Eye Clinic for
The Midnight Mission's Men and Women Program Participants**

- Who:** UCLA Mobile Eye Clinic
- What:** Certified ophthalmology technicians and board-certified ophthalmologists will perform free eye exams for TMM program participants. Glasses will be provided for those that need them.
- Where:** The Midnight Mission, 601 S. San Pedro Street, Los Angeles, CA 90014
(On the San Julian side of the facility)
- When:** Thursday, January 23, 2020, from 8 am to 12 pm.
- Why:** UCLA Mobile Eye Clinic is a non-profit organization that provides free vision care and eyeglasses to underserved communities. They believe that visual health is important for all aspects of life.
- How:** The event will be hosted at The Midnight Mission in partnership with UCLA Mobile Eye Clinic, benefiting the men and women who are participating in the services provided by TMM

About The Midnight Mission: Founded in 1914, The Midnight Mission offers paths to self-sufficiency to men, women and children who have lost direction. Our emergency services and 12-step recovery, family living, job training, education and workforce development programs offer a compassionate bridge to achieve and maintain healthy, productive lives. We remove obstacles and provide the accountability and structure that people who are experiencing homelessness need to be productive in their communities. Our conviction and commitment to their success define us. For additional information, please visit www.midnightmission.org.
