The Midnight Mission is awarded \$40,000 from The Penta Building Group.

The Midnight Mission is honored to receive \$40,000 from The PENTA CARES Foundation to continue our life-saving and life-changing services to our homeless neighbors, providing racial equality and economic opportunities to each individual.

The PENTA CARES Foundation, a charitable arm of The PENTA Building Group, donated \$40,000 to The Midnight Mission. During PENTA's 13th Annual Charity Golf Classic, held at Black Gold Golf Club in Yorba Linda, 35 companies and partners, consisting of more than one hundred individuals, participated in PENTA's yearly event to fundraise in support of addressing issues related to veterans and homelessness.

"Through the PENTA CARES Foundation, our company is proud to give back to the communities where we live and work," said Paul Dutmer, Director of Los Angeles at The PENTA Building Group. "Throughout the years, we've been able to give back millions of dollars and thousands of volunteer hours to local charities. We're equally as proud to assemble our partners in business to join us in our mission."

"The Midnight Mission is grateful to be a beneficiary of Penta Building Group's annual golf tournament," says G. Michael Arnold, President & CEO of The Midnight Mission. "The Midnight Mission's goal is to restore people to self-sufficiency and combat the issues surrounding homelessness. The proceeds from the tournament will help us provide individuals and families experiencing homelessness with a secure place to sleep and three nutritious meals a day. Our extensive range of essential services are designed to get people off the streets and into productive lives. There is no one solution to end homeless; it will require all of us working together. We are so proud to partner with this extraordinary group to raise awareness of the people living on our streets who are hungry and without a home."
