# A PLACE AT OUR TABLE

## More than meals. A place to rebuild.

Dear Partner,

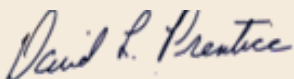

At The Midnight Mission, there is always a place at our table. A place where a neighbor in need can sit down to a warm holiday meal after a cold night on the street. A place in our Education Center where someone can open a laptop to search for work, study for their GED, or reconnect with a loved one. A place in recovery where a sponsor and participant can sit across from one another and chart a new course toward sobriety. A place in our community room where hands come together to pack hygiene kits with dignity and care. Wherever the table, whoever the guest, the message is the same: you belong here.

**From now through the end of the year, our A Place At Our Table holiday campaign invites companies, groups, and individuals to turn compassion into action.** You can volunteer in our kitchen, organize a hygiene kit drive, host a fundraising effort with your colleagues, or rally your community to give. We also encourage every partner to consider making a financial gift alongside service. Cash donations cover the essential costs — food, staff, facilities — and ensure that your time and energy translate into the greatest possible impact.

Every act of generosity matters, and every partnership is personal. That's why we work closely with each company and group to customize volunteer experiences, recognition, and stewardship so that your goals are honored and your impact is celebrated. Together, we can create not only moments of service, but memories that reflect the magic of the holidays — the warmth of gratitude, the joy of giving, and the spirit of community. **In this season of giving, showing up for one another is the most valuable gift we can offer.**

Join us. Ensure that every person who comes through our doors finds a place at our table, a place to be seen, and a place where their next brave step toward a brighter future begins. There is always room for one more.

With gratitude,

David Prentice, President & CEO  
& The Advancement Team
