## Monthly Alumni Groups for Participants

---

Remember what TMM gave you. The structure, the accountability, the breakthroughs, the people who showed up week after week so you could keep showing up for yourself.

Now it's your turn to be that example.

We're inviting the 1201 alumni to lead a 6 month and up class for current participants, because no one understands the journey better than someone like you. You already know the power of consistency, community, and real talk! There will be a sign-up sheet provided.

Alumni leading a group for participants 6 month and up is a great way to get your volunteer hours.

## We want your pictures!

If you have any photos, you can send in from your graduation class, events, or gatherings, please reach out to Carleton Virgil who will gladly utilize those pictures.
