WHO: **Full Circle**

Full Circle is a country-rock trio known for soaring vocal harmonies, heartfelt performances, and fresh interpretations of both classic favorites and original songs. Longtime friends and musicians Patti Orbeck, Debra Bain, and Sylvia Owens have spent decades perfecting their signature sound, blending rich three-part harmonies with warmth, authenticity, and undeniable chemistry.

Drawing inspiration from artists ranging from Crosby, Stills, Nash & Young to The Judds, Full Circle creates unique arrangements that showcase their impressive vocals and heartfelt storytelling. Whether performing beloved classics such as "Angel from Montgomery," "Chain of Fools," and "Jolene" or sharing their own original music, the trio delivers a performance that feels both intimate and uplifting.

Making their first appearance at The Midnight Mission, Full Circle brings a spirit of connection, joy, and musical excellence that people from all walks of life can enjoy. Their music celebrates the power of friendship, storytelling, and harmony, values that align beautifully with the mission of bringing people together through music.

WHY: MWAM is intentionally intimate. Musicians share their talents directly with guests experiencing homelessness and poverty, often engaging in conversation, answering questions, and sharing stories about their musical journeys. We encourage performers to invite friends and supporters so people from all walks of life can come together, build understanding, and experience the unifying power of music. The Midnight Mission believes art and music are to the soul what food is to the body.

HOW: All are welcome, and there is no charge.
