Andy Hill and Renee Safier have become one of Southern California's most beloved Americana and folk-rock acts. Since meeting at the University of Denver, they have built a devoted following through more than 200 live performances each year, captivating audiences with soaring harmonies, exceptional songwriting, and outstanding musicianship. Their award-winning career has taken them to renowned venues and festivals throughout North America and around the world, including Telluride Blues & Brews, Kerrville Folk Festival, and performances across Europe, Asia, and New Zealand. Their seventeen independent albums, PBS concert special, and the annual Dylanfest, now celebrating its 36th year, have earned them widespread acclaim and a loyal fan community.

Since 2020, Andy & Renee have generously donated a portion of the proceeds from more than 200 livestream performances to The Midnight Mission. They have also performed at The Midnight Mission's Thanksgiving Street Fairs, Golden Heart Award Galas, and Music With A Mission programs. This marks their fourth Music With A Mission performance, and guests, staff, and volunteers are excited to welcome them back for another afternoon of music, inspiration, and community.

WHY: The Midnight Mission hosts Music With A Mission (MWAM) to entertain, inspire, and bring hope to individuals experiencing homelessness and poverty in the Skid Row community. Music has long been a source of healing, connection, and resilience during life's most difficult moments. WAM creates an intimate environment where musicians perform alongside our guests, share their stories, answer questions, and connect through the universal language of music. We also encourage artists to invite family, friends, and fans to join them, creating meaningful opportunities for people from all walks of life to come together in community.
