ONE MUSTANG. TWO COASTS. A FINAL RIDE FOR GOOD.

Angel's Garage Partners with New York Cares and The Midnight Mission for a Coast-to-Coast Giveaway Benefiting Nonprofits in New York and Los Angeles

Supporters can enter for a chance to win a restored 1970 Ford Mustang Mach 1 as it travels from Los Angeles to New York City

Enter to win [here](#)

NEW YORK, LOS ANGELES, October 9, 2026 — Angel's Garage is teaming up with New York Cares and The Midnight Mission to take its final charity car build coast to coast. A meticulously restored 1970 Ford Mustang Mach 1 428 SCJ is headed from Los Angeles to New York City, giving car enthusiasts and supporters across the country a chance to enter to win while helping both nonprofits serve their communities. The [Coast to Coast Mustang Giveaway](#) marks the final charitable car campaign from Angel's Garage founders Angela and Mark Babala.

Over the past decade, Angela and Mark have used their passion for classic cars to help raise more than \$1.8 million for charity. For their final campaign, they've partnered with two nonprofits on opposite coasts: [New York Cares](#), which connects New Yorkers as volunteers with schools and nonprofits to support students, provide essential resources like food and warmth, and strengthen communities across New York City, and [The Midnight Mission](#), which provides meals, shelter, recovery programs and other services to people experiencing homelessness and poverty in Los Angeles. Proceeds from ticket sales will support both organizations.

Their final build is an Orion Silver Mustang restored from the ground up, with a 428 Super Cobra Jet engine and automatic transmission. The car will travel across the country this fall, with opportunities to see it in person to be announced. Entries close December 1, 2026.

"We wanted our final build to go further than any we've done before," said **Angela Babala, co-founder of Angel's Garage**. "This Mustang gives people across the country a chance to join the ride and support two organizations doing important work in their communities."

"New York Cares is built on the idea that when people come together, they can make a tangible difference for their neighbors," said **Sapreet K. Saluja of New York Cares**. "That's what makes this campaign so special: a love of classic cars is bringing people together across the country to support communities on both coasts. We're

proud to be part of Angel's Garage's final ride and excited to welcome the Mustang to New York for its December finale."

"This car will travel three thousand miles, but every mile of it runs through a neighborhood where someone is deciding whether to keep going," said **Valerie Lord, Director of Advancement at The Midnight Mission**. "That is who this raffle is really for. Angel's Garage took a passion project and turned it into something that can change a life on each coast, and we are grateful for a partner willing to build something bigger than either of us could do alone."

Raffle tickets are \$10 each and are available at e.sparxo.com/Mustang. Instructions, eligibility requirements and full giveaway rules are available on the campaign page. This raffle is made possible with promotional support from **Lazy T Ranch**.

About Angel's Garage

Led by husband-and-wife team Angela and Mark Babala, Angel's Garage restores classic cars for celebrity clients and charitable causes. Over the past decade, its projects have helped raise more than \$1.8 million for charities.

About New York Cares

New York Cares is the city's largest volunteer network. This past year, over 70,000 New Yorkers made their city more resilient by volunteering in New York Cares programs at over 350 nonprofits and schools across all five boroughs—improving education, meeting immediate needs, and revitalizing public spaces. For more information, visit newyorkcares.org.

About The Midnight Mission

Founded in 1914, The Midnight Mission offers paths to self-sufficiency to individuals and families experiencing homelessness and poverty. Through emergency services, 12-step recovery programs, family housing, education, job training, and workforce development, The Midnight Mission provides a compassionate bridge to lasting stability and self-reliance. By removing barriers and providing accountability, structure, and support, The Midnight Mission helps people rebuild their lives and become productive members of their communities. Our conviction and commitment to their success define who we are. For more information, please visit www.midnightmission.org.
